“Give Love on Christmas Program Brings Holiday Joy to Jacksonville Families”

(Jacksonville, AR, December 8, 2023) — BOHEMIA Cares is thrilled to invite partners, volunteers, and the community to join the Give Love on Christmas Program, set to take place on Friday, December 15 at the Homer Adkins Pre-K Center in Jacksonville, Arkansas at 2:00 PM. This heartwarming event aims to provide much-needed support to families in need during the holiday season.

With the invaluable support of our partners at the First Electric Cooperative Corporation of Jacksonville, a Wal-Mart Store #24 Community Grant, and More Chances Period, we are able to extend our reach and impact. Through their generous contributions, we will be providing families with turkeys, school paper, and period supplies while spreading joy and warmth within the community.

"We extend our heartfelt gratitude for the partnership and unwavering support from our partners and volunteers. Together, we are committed to blessing families in Jacksonville and making a meaningful difference in the lives of those in need in our community," said Verlancia Tucker, Founder & Executive Director.

The Give Love on Christmas Program embodies the true spirit of the holiday season, and we are grateful for the opportunity to bring joy and relief to those who need it most.
