RE: DOC'S PICKS [October 2024]
[6pp]

Attention:

Please note that by popular demand and request, Doc's Picks are still here. Thank you for your faith in our opinions. We have been dedicated to the fight for justice and equality for some time now, nearly 40 years! Despite the evil work of certain individuals and institutions, we are still in the game! 'No weapon formed...'well you know.

Note our 'picks' below. The upcoming elections are very important and will impact, decide and affect the lives and property of all in our communities. Our picks are always made on principle not on social popularity, or for personal gain or benefit.
